Tork Xpressnap Classic Stand Napkin Dispenser with Drive Thru Face Plate

The Xpressnap® Classic Stand Napkin Dispenser with Drive Thru Face Plate provides stability and holds the dispenser upright. Its portable feature allows the user to easily position the unit at any location. The dispenser holds up to 900 napkins, nearly three times the capacity of traditional dispensers, producing additional savings in labor. Xpressnap® greatly increases personal hygiene and cuts waste by delivering one napkin at a time, every time. SCA Tissue guarantees a 25 percent reduction in napkin usage although actual results often show savings as high as 40 percent. The unique AD-a-Glance message panel can be used for in-store promotions or to generate advertising revenue.

Think ahead.
