## Tork Universal Bath Tissue Roll with OptiCore®

Tork Universal Bath Tissue Roll with OptiCore® features patented two-part core technology and offers a unique combination of capacity, waste reduction, and quality. This quality tissue is 100% recycled and exceeds EPA guidelines for post-consumer waste. This embossed tissue is made with de-inking and bleaching processes free of chlorine and other harmful chemicals as well as features more than a 25% reduction in core material for environmentally preferable packaging. This high-capacity tissue is designed for government or other facilities that have mandates to be green.

- 25% less core material promotes environmental responsibility.
- OptiCore® technology reduces waste and cost by ensuring maximum use of each roll.
- High capacity: less maintenance and reduced risk of paper shortage
- Tork bath tissue has rapid breakup, ideal for all plumbing systems

The mark of  
responsible forestry

Think ahead.
